Module A

Autumn 2026

1 session | 6 jours

GENERAL TERMS

AAPI - ATIP Skills Development

Your participation in Module A of the Program allows you to have access to the products and services offered, to develop your skills and to obtain a certificate of successful completion of the Program issued jointly by the University of Montreal and the AAPI. **In addition, your participation in the Program allows you to benefit from consulting services and advanced expertise in ATIP through an experienced person who has worked in federal institutions, Ms. Marie-Claude Juneau.**

General Information

Broadcast in English

Sessions Module A is 42 hours long and is spread out over a two-week period. Each day of the 7-hour course is delivered via videoconference from 9:00 a.m. to 4:30 p.m. with ATIP practitioners and a logistics support person in attendance

Videoconference Broadcast

In addition to the lunch period, health breaks of 15-20 minutes are inserted during the morning and the afternoon.

Registration fees and teaching materials

The registration fee is indicated on the registration form. Teaching documentation included: for each course, the participant will receive the following documentation: (1) the Instructions and Course Outline document, (2) the course workbook, (3) the workbook of exercises and operational practices, (4) the list of prior reading, if applicable, and (5) the evaluation questionnaire.

Act respecting the Protection of Personal Information in the Private Sector

In accordance with section 8 of the Act Respecting the Protection of Personal Information in the Private Sector, the information collected is used to manage your file and, as such, is accessible only to AAPI staff. You have the right to access and rectify the information contained in your file, which is kept at the offices of the AAPI, 750 côte de la Pente-Douce, Suite 205, Quebec City.

Cancellation Policy

Your registration is valid upon receipt of the form.

Since the number of participants is limited, we invite you to register as soon as possible by filling out the registration form, also available on the AAPI website (aapi.qc.ca), and sending it to this email address: registrationpfaipr-if@aapi.ca

Registration fees for the ATIPTP-FI can be paid by Interac e-transfer, Credit card, check or direct deposit. The details will be on the invoice.

Furthermore, the AAPI reserves the right to cancel a course or module if it deems the number of participants to be insufficient.

In order to preserve the quality of the education and the respect of our commitments to the participants of the ATIPTP-FI, the AAPI has established its cancellation policy by favouring the replacement of the participant under the following conditions:

Program Registration | Participant Substitution

Replacement of a participant is accepted free of charge until the beginning of the first course. No replacements are accepted once the regular program has begun.
